The report that the Italian corvette Christoforo Colombo went aground while on the way out of the harbor yesterday was erroneous. There Will Be Races.

It would be well for the public to keep in mind that whether it rains or shines on January 17th the races at Kapiolani Park will take place. Postponement is a word of the past and no longer enters into the language of the track.

HIS SKULL TREPPANNED.

Successful Operation Performed Upon James Lane Yesterday.

An operation was performed by Drs. Herbert, Cooper and Russell yesterday upon James Lane, at the home of his brother-in-law Junius Kaa, Palama. It will be remembered that Lane, while attempting to escape from the custody of the Marshal during the trouble in January last sustained injuries from a blow by a musket which fractured his skull. Since that time and until just before the operation Lane has been in the asylum on account of his impaired mental condition.

After consultation by the surgeons it was decided that the only hope of recovery was dependent upon an operation raising a depressed portion of the skull. This was successfully done, the skull being trepanned, and marked symptoms of improvement are apparent as a result.
